

# Tupelo Honey Cafe Donation Request Form

We get lots of worthwhile requests for resources, donations and support from organizations and charitable efforts throughout our community.

Due to the volume of requests, we wanted to sharpen our focus so we could contribute more effectively (and with the most impact) instead of spreading our giving across many worthy projects. With this in mind, we've established the following areas of concentration in our community and will do everything we can to support causes which tie directly to these categories:

- Families
- At risk women and children
- Education

Of course, even with this focus, we won't be able to give to every cause. But we're working on it! Please complete the following form and mail it, along with a cover letter and any other printed materials or collateral pieces to **Tupelo Honey Cafe Giving, 1 Rankin Avenue, Second Floor, Asheville, NC 28801**

We try to get back to interested parties within a 2-3 week window. Thank you!
